9. The defendant understands that the minimum and maximum penalty the Court can impose as to **Count 3** is:

(If the defendant serves a term of imprisonment, is then released on supervised release, and violates the conditions of supervised release, the defendant's supervised release could be revoked--even on the last day of the term--and the defendant could then be returned to another period of incarceration and a new term of supervised release);
- d. a mandatory special penalty assessment of \$100.00;

10. The parties recognize that the Sentencing Guidelines are advisory, and that the Court is required to consider them in determining the sentence it imposes. Defendant further

recognizes that while the Defendant's attorney may have made a prediction or estimate of the sentence that the Court may impose, the Defendant understands that the Court is not bound by any such estimate or prediction.

11. The parties agree that, as part of the defendant's sentence, the Court may enter an order of restitution pursuant to 18 U.S.C. § 2259.

12. It is expressly understood and agreed by and between the defendant and the United States that:

a. The United States has made, and will make, NO AGREEMENT pursuant to Federal Rule of Criminal Procedure 11(c)(1)(C), that a specific sentence is the appropriate disposition of this case.

b. The United States has made, and will make, NO AGREEMENT to approve, to oppose, or not to oppose pursuant to Federal Rule of Criminal Procedure 11(c)(1)(B), any request made by the defendant or on behalf of the defendant for a particular sentence in this case, other than the stipulations agreed to below.

c. The United States hereby expressly reserves the right to make known to the United States Probation Office and to the Court, for inclusion in the presentence report prepared pursuant to Federal Rule of Criminal Procedure 32, any information that the United States believes may be helpful to the Court, including but not limited to information about any relevant conduct under USSG § 1B1.3.

d. Except under circumstances where the Court, acting on its own, fails to accept this plea agreement, the defendant agrees that, upon the defendant's signing of this plea agreement, the facts that the defendant has admitted under this plea agreement as set forth below, as well as any facts to which the defendant admits in open court at the defendant's plea hearing,

shall be admissible against the defendant under Federal Rule of Evidence 801(d)(2)(A) in any subsequent proceeding, including a criminal trial, and the defendant expressly waives the defendant's rights under Federal Rule of Criminal Procedure 11(f) and Federal Rule of Evidence 410 with regard to the facts the defendant admits in conjunction with this plea agreement. The Court has not acted on its own if its rejection of the plea agreement occurs after Defendant has expressly or implicitly suggested to the Court a desire or willingness to withdraw his or her plea or not to be bound by the terms of this plea agreement.

DEFENDANT'S ADMISSION OF FACTS

13. By my signature on this plea agreement, I am acknowledging that I am pleading guilty because I am, in fact, guilty of the offense(s) to which I am pleading guilty. I recognize and accept responsibility for my criminal conduct. Moreover, in pleading guilty, I acknowledge that if I chose to go to trial instead of entering this plea, the United States could prove facts sufficient to establish my guilt of the offense(s) to which I am pleading guilty beyond a reasonable doubt, including any facts alleged in the Information that increase the statutory minimum or maximum penalties. I specifically admit the following facts related to the charges against me, and declare under penalty of perjury that all of these facts are true and correct:

Between on or about June 21, 2015, and continuing to on or about November 9, 2022, in Eddy County, in the District of New Mexico and elsewhere, I knowingly and intentionally used minor children that I had access to in order to produce photographs and videos of those children engaged in sexually explicit conduct. For example, on or about October 7, 2022, I knowingly and intentionally posed for a photograph that I knew was being taken by Rachel Crutcher, my co-defendant, that depicts me naked with my genitals exposed while I hug a nine-year-old female child who is naked, and her vagina is clearly visible. Additionally, on or about May 30, 2022, I knowingly and intentionally took a video of a nine-year-old child that was focused on the child's genital opening. These visual depictions were produced using a Samsung Galaxy A12 cell phone that was manufactured in Vietnam and traveled in foreign commerce prior to the production of the visual depictions in New Mexico. I knowingly possessed these visual depictions that I knew were child

pornography from the date I produced them until law enforcement seized them from me on November 9, 2022. The visual depictions of child pornography that I possessed included child pornography involving infants or toddlers.

On or about November 9, 2022, in Eddy County, in the District of New Mexico and elsewhere, I knowingly sent and distributed a visual depiction that I knew were child pornography to others. Specifically, on or about November 9, 2022, using an Internet application, I sent a photograph to another individual that depicted a nine-year-old child with her shorts pulled down and her bare vagina exposed. The child's hand was down her pants, and her fingers were near or on her vagina. The image I sent on November 9, 2022, was received by an individual in Washington, D.C., thus the image crossed a state line.

14. By signing this agreement, the defendant admits that there is a factual basis for each element of the crime(s) to which the defendant will plead guilty. The defendant agrees that the Court may rely on any of these facts, as well as facts in the presentence report, to determine the defendant's sentence, including, but not limited to, the advisory guideline offense level.

STIPULATIONS

15. The United States and the defendant stipulate as follows:

a. Pursuant to USSG § 3E1.1(a), the defendant has clearly demonstrated a recognition and affirmative acceptance of personal responsibility for the defendant's criminal conduct. Consequently, so long as the defendant continues to accept responsibility for the defendant's criminal conduct, the defendant is entitled to a reduction of two levels from the base offense level as calculated under the sentencing guidelines. This reduction is contingent upon the defendant providing an appropriate oral or written statement to the United States probation officer who prepares the presentence report in this case in which the defendant clearly establishes the defendant's entitlement to this reduction.

b. Apart from the provisions in this plea agreement, the United States and the Defendant reserve their rights to assert any position or argument with respect to the sentence to be

imposed, including but not limited to the applicability of particular sentencing guidelines and adjustments under the guidelines.

16. The defendant understands that the above stipulations are not binding on the Court and that whether the Court accepts these stipulations is a matter solely within the discretion of the Court after it has reviewed the presentence report. Further, the defendant understands that the Court may choose to vary from the advisory guideline sentence. The defendant understands that if the Court does not accept any one or more of the above stipulations and reaches an advisory guideline sentence different than expected by the defendant, or if the Court varies from the advisory guideline range, the defendant will not seek to withdraw the defendant's plea of guilty. In other words, regardless of any stipulations the parties may enter into, the defendant's final sentence is solely within the discretion of the Court.

RESTITUTION

17. The parties agree that, as part of the Defendant's sentence, the Court will enter an order of restitution pursuant to 18 U.S.C. § 3663(a)(3), 18 U.S.C. §§ 3663A(a) and (b), 18 U.S.C. § 3664, 18 U.S.C. § 2248, and 18 U.S.C. § 2259. The Defendant agrees to make full restitution to all minor victims of the Defendant's offense(s) as to all counts charged, whether or not the Defendant enters a plea of guilty to such counts and whether or not such counts are dismissed pursuant to this agreement. Further, the Defendant agrees to pay restitution to any minor victims, for the entire scope of the criminal conduct, including but not limited to all matters included as relevant conduct. The Defendant acknowledges and agrees that this criminal conduct (or relevant conduct) includes any minor victim of any child pornography offenses, charged or uncharged, under Chapter 110, United States Code, and any minor victim of any violation of federal and/or state law committed by the Defendant, including any contact sexual offense. Further, pursuant to

2012 cum

present

18 U.S.C. § 3664(d)(5), the Defendant agrees not to oppose bifurcation of the sentencing hearing if the victims' losses are not ascertainable prior to sentencing. The Defendant agrees to pay restitution in the amount of \$25,000.00 per victim, who may be identified and request restitution prior to sentencing, which is payable to the United States District Court Clerk.

18. The defendant understands that an unanticipated amount of a restitution order will not serve as grounds to withdraw defendant's guilty plea. The defendant further agrees to comply with any restitution order entered into at the time of sentencing. The defendant further agrees that defendant will not seek the discharge of any restitution obligation, in whole or in part, in any present or future bankruptcy proceeding. The defendant agrees to make full restitution for the provable losses caused by defendant's activities. The defendant further agrees to grant the United States a wage assignment, liquidate assets, or complete any other tasks which will result in immediate payment in full, or payment in the shortest time in which full payment can be reasonably made as required under 18 U.S.C. § 3572(d).

19. The defendant further agrees to make full and accurate disclosure of his financial affairs to the United States. Specifically, the defendant agrees that, before sentencing, the defendant shall provide to the United States, under penalty of perjury, a financial statement which shall identify all assets owned or held directly or indirectly by the defendant. The defendant shall also identify all assets valued at more than \$5,000 which have been transferred to third parties since November 9, 2022, including the location of the assets and the identity of any third party.

20. The parties will jointly recommend that as a condition of probation or supervised release, the defendant will notify the Financial Litigation Unit, United States Attorney's Office, of any interest in property obtained, directly or indirectly, including any interest obtained under any

other name, or entity, including a trust, partnership or corporation after the execution of this agreement until the fine or restitution is paid in full. *See* 18 U.S.C. § 3664(k), (n).

21. The parties will also jointly recommend that as a condition of probation or supervised release, the defendant will notify the Financial Litigation Unit, United States Attorney's Office, before the defendant transfers any interest in property owned directly or indirectly by the defendant, including any interest held or owned under any other name or entity, including trusts, partnership and/or corporations. *See* 18 U.S.C. § 3664(k), (n).

22. The defendant further agrees that whatever monetary penalties are imposed by the Court will be due immediately and will be subject to immediate enforcement by the United States as provided for in 18 U.S.C. § 3613. If the Court imposes a schedule of payments, the defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation on the methods, available to the United States to enforce the judgment. If the defendant is incarcerated, the defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program, regardless of whether the Court specifically directs participation or imposes a schedule of payments.

FORFEITURE

23. The Defendant agrees to forfeit, and hereby forfeits, whatever interest the Defendant may have in any asset derived from or used in the commission of the offense(s) in this case. The Defendant agrees to cooperate fully in helping the United States (a) to locate and identify any such assets and (b) to the extent possible, to obtain possession and/or ownership of all or part of any such assets. The Defendant further agrees to cooperate fully in helping the United States locate, identify, and obtain possession and/or ownership of any other assets about which the

Defendant may have knowledge that were derived from or used in the commission of offenses committed by other persons.

25. The Defendant agrees to fully assist the United States in the forfeiture of the above-described property and to take whatever steps are necessary to pass clear title to the United States, including but not limited to execution of any documents necessary to transfer the Defendant's interest in the above-described property to the United States.

26. The Defendant agrees to waive the right to notice of any forfeiture proceeding involving the above-described property.

27. The Defendant knowingly and voluntarily waives the right to a jury trial on the forfeiture of the above-described property. The Defendant knowingly and voluntarily waives all constitutional, legal, and equitable defenses to the forfeiture of said property in any proceeding. The Defendant agrees to waive any jeopardy defense or claim of double jeopardy, whether constitutional or statutory, and agrees to waive any claim or defense under the Eighth Amendment to the United States Constitution, including any claim of excessive fine, to the forfeiture of said property by the United States or any State or its subdivisions.

DEFENDANT'S OBLIGATIONS

28. The defendant understands the defendant's obligation to provide the United States Probation Office with truthful, accurate, and complete information, including, but not limited to

defendant's true identity, citizenship status, and any prior criminal convictions. The defendant hereby represents that the defendant has complied with and will continue to comply with this obligation. The defendant understands that any misrepresentation with respect to the above obligations may be considered a breach of this plea agreement.

29. The Defendant agrees that any financial records and information provided by the Defendant to the Probation Office, before or after sentencing, may be disclosed to the United States Attorney's Office for use in the collection of any unpaid financial obligation.

30. By signing this plea agreement, the defendant waives the right to withdraw the defendant's plea of guilty pursuant to Federal Rule of Criminal Procedure 11(d) unless: (1) the court rejects the plea agreement pursuant to Federal Rule of Criminal Procedure 11(c)(5) or (2) the defendant can show a fair and just reason as those terms are used in Rule 11(d)(2)(B) for requesting the withdrawal. Furthermore, defendant understands that if the court rejects the plea agreement, whether or not defendant withdraws the guilty plea, the United States is relieved of any obligation it had under the agreement and defendant shall be subject to prosecution for any federal, state, or local crime(s) which this agreement otherwise anticipated would be dismissed or not prosecuted.

31. By signing this plea agreement, the Defendant knowingly and voluntarily waives any rights and defenses the Defendant may have under the Excessive Fines Clause of the Eighth Amendment to the United States Constitution to imposition of special or other assessments.

SEX OFFENDER REGISTRATION AND NOTIFICATION

32. The defendant understands that by pleading guilty, the defendant will be required to register as a sex offender upon the defendant's release from prison as a condition of supervised release pursuant to 18 U.S.C. § 3583(d). The defendant also understands that independent of supervised release, the defendant will be subject to federal and state sex offender registration

requirements, and that those requirements may apply throughout the defendant's life. The defendant understands that the defendant shall keep the defendant's registration current, shall notify the state sex offender registration agency or agencies of any changes to the defendant's name, place of residence, employment, or student status, or other relevant information within three business days after such change. The defendant shall comply with requirements to periodically verify in person the defendant's sex offender registration information. The defendant understands that the defendant will be subject to possible federal and state penalties for failure to comply with any such sex offender registration requirements. The defendant further understands that, under 18 U.S.C. § 4042(c), notice will be provided to certain law enforcement agencies upon the defendant's release from confinement following conviction.

33. As a condition of supervised release, the defendant shall initially register with the state sex offender registration in New Mexico, and shall also register with the state sex offender registration agency in any state where the defendant resides, is employed, works, or is a student, as directed by the Probation Officer. The defendant shall comply with all requirements of federal and state sex offender registration laws, including the requirements to update the defendant's registration information. The defendant shall provide proof of registration to the Probation Officer within 72 hours of release from imprisonment.

34. The defendant has been advised, and understands, that failure to comply with these obligations subjects him to prosecution for failure to register under federal law, 18 U.S.C. § 2250, which is punishable by a fine or imprisonment, or both.

WAIVER OF APPEAL AND POST-CONVICTION RIGHTS

35. The Defendant is aware that 28 U.S.C. § 1291 and 18 U.S.C. § 3742 afford the right to appeal a conviction and the sentence imposed. Acknowledging that, the Defendant knowingly

waives the right to appeal the Defendant's conviction(s) and any sentence, at or under the maximum statutory penalty authorized by law, as well as any order of restitution entered by the Court. The Defendant also waives the right to appeal any sentence imposed below or within the Guideline range upon a revocation of supervised release in this cause number but may nonetheless appeal the determination of the revocation Guideline range. This waiver extends to any challenge to the manner in which the sentence was determined or imposed, including the district court's authority to make findings supporting the sentence. The Defendant also waives the right to appeal the denial of any motion filed under 18 U.S.C. § 3582(c)(1)(A) where such denial rests upon the court's determination that a sentence reduction is not warranted under the factors set forth in 18 U.S.C. § 3553(a).
